Why Enroll in DANCEcamp III?

Summer DANCEcamps are an excellent way to introduce students to a broader range of dance experiences in a fun, hands-on atmosphere.

Gallery Ballet & Tap successfully offered DANCEcamp I & II and is pleased to offer DANCEcamp III for all ages. In addition to daily dance classes, children learn about and watch a famous classical ballet. They explore their own creativity through exercises in movement concepts and choreography. Students also learn valuable lessons about music, anatomy, health, team building, dance history and vocabulary.
